Education

● Matric

2023 – 2024

Govt. Boys School Behal

I completed my Matriculation in Computer Science, where I gained fundamental knowledge of computer systems, basic programming concepts, and IT skills

● DAE CIT

2024 – 2027

Govt. College Technology Bhakkar

2nd Year (In Progress)

I am currently pursuing a Diploma of Associate Engineering (DAE) in Computer Information Technology. Through this program, I am developing practical skills in programming, web development, and computer systems, along with problem-solving and technical abilities.

Work Experience

● Personal Projects

- Developed small applications using HTML, CSS, and JavaScript.
- Learned problem-solving, debugging, and basic programming concepts.

● Extra-curricular Activities

- Participated in school/college tech clubs, coding competitions, or workshops.
- Developed teamwork, communication, and organizational skills.
